FROM THE PRINCIPAL'S DESK

03/11/2026

Kaya,

Welcome back to the start of our final term for 2026. I hope everyone enjoyed a lovely break and had the opportunity to recharge before what is always a busy and exciting term at Eaton. There is certainly plenty happening over the coming weeks, and I am looking forward to finishing the year together on a positive note.

Sports Carnival – What an Action-Packed Week!

What a fantastic three days of sport, competition and fun we had during our Sports Carnival in Week 2! Our students demonstrated terrific sportsmanship, encouraged one another and, most importantly, showed our school values of Excellence, Courage and Respect throughout the competition. It was wonderful to see so many students giving things a go, supporting their teammates and celebrating each other's achievements.

A massive thank you to Ms Collins and her team for the enormous amount of organisation and preparation that goes into making these events such a success. Thank you also to all staff, Paulia, Andrew, our P&C members and the many parent volunteers who gave their time and energy across the three days for organisation, set ups and sausages. These events simply wouldn't happen without the teamwork and support of our school community. Brilliant effort, everyone! To our students representing Eaton at the Interschool Carnival this week – GOOD LUCK! We will be cheering you on and look forward to hearing all about it.

Summer is Nearly Here – A Few Reminders

With the warmer weather starting to arrive, it is a good time to revisit a few important summer safety messages with your children.

Please remember:

Sun safety: Hats are essential for outdoor play. Please ensure your child has a school hat each day and encourage regular sunscreen application.

Hydration: Water bottles are important, particularly as temperatures rise. Encourage your children to drink plenty of water throughout the day.

Be aware: Warmer weather also brings out the mozzies, snakes and other wildlife. It is worth having a conversation with your children about being aware of their surroundings, avoiding unfamiliar animals and insects, and letting an adult know if they spot anything concerning.

A little preparation and a few reminders at home help us all enjoy the warmer months safely.

Lots Happening Around Eaton PS.

There are some exciting additions happening around our school, and I wanted to share a couple of great outcomes from our wonderful P&C.

Thanks to the fundraising efforts of our P&C, we are now able to install hand dryers in the student toilets and a water bottle refill fountain to make it easier for students to refill their drink bottles throughout the day. These are fantastic additions to our school facilities and will make a practical difference for our students.

A huge thank you to our P&C team, the parents who support their events and activities, and our wider community for continually contributing to making Eaton an even better place for our children. Your efforts and generosity are genuinely appreciated.

New School Signs!

I am so excited to see our new school signs have arrived! They look terrific and are a wonderful addition to the front of our school. There will certainly be no chance of anyone getting lost finding Eaton Primary School now! It is lovely to see our school identity reflected so positively as people arrive at our gates.

Reconciliation Bridge Walk

Last Thursday, I had the pleasure of taking some of our Student Leadership team to Bunbury to participate in the Reconciliation Bridge Walk.

Our students joined Glen Huon Primary School, Eaton Community College student leaders and many other schools from across our district. It was a wonderful opportunity for our young leaders to come together, demonstrate unity, listen to stories, acknowledge our shared history and contribute to the ongoing journey of reconciliation and healing.

These experiences are so important in helping our students understand the value of connection, respect and learning from one another. I was incredibly proud of the way our students represented Eaton and participated in the day. A big thank you to all the city of Bunbury organisers who made the event possible and, in particular, Eaton Community College for generously providing the bus so our students could attend. It was a great opportunity for our young leaders.

There is certainly no shortage of activity as we head into our final term! Thank you, as always, to our staff, families and wider community for the energy, commitment and support you bring to Eaton Primary School. Let's make Term 4 a terrific one!

WARM REGARDS,
CLAIRE NICOL
