

FROM THE PRINCIPAL'S DESK

25/09/2026

Kaya,

As we come to the end of Term 3, it is a wonderful opportunity to pause and reflect on another busy and rewarding term at Eaton Primary School. There has been so much happening across our school, and I continue to be proud of the enthusiasm, commitment and care shown by our students, staff and families. Thank you to everyone who has contributed to making Term 3 a positive and successful term for our school community. I hope everyone enjoys a well-earned break and takes some time to rest, recharge and enjoy the warmer spring weather.

School Board

It has been a busy and exciting time for our School Board, with our Open Meeting and Annual General Meeting held this term. We are grateful for the commitment, knowledge and perspectives our Board members bring to supporting the direction and ongoing improvement of Eaton Primary School.

This year, we farewell our outgoing Chair, Niomi Hurley, who has contributed to our Board and volunteered across our school community for more than 16 years. Niomi's knowledge, commitment and unwavering support for Eaton Primary School have been greatly valued, and she will certainly be missed.

We are pleased to welcome Daniel Hovey as our new School Board Chair. Daniel has been a Board member for the past two years, and we look forward to working with him in this new role.

We will be seeking new Board members next term, so if you would like to contribute to the future direction of our school, we encourage you to consider getting involved.

Annual Report

One of the important functions of our School Board is to endorse the school's Annual Report. We are very proud to present the 2025 Eaton Primary School Annual Report, which provides an overview of our school's characteristics, achievements and key areas of improvement from the previous year.

The Annual Report is a great opportunity to reflect on the work of our students, staff and community and to celebrate the progress we have made together throughout 2025.

A copy of the 2025 Annual Report is available on our school website for families and community members to read.
