

FROM THE PRINCIPAL'S DESK

14TH
OCTOBER

Kaya Families,

Welcome back to the final term of the year! We hope everyone enjoyed a restful break and is feeling refreshed and ready for a busy and exciting Term 4. There's plenty to look forward to as we wrap up another wonderful year of learning and celebration together.

We're thrilled to welcome our new Deputy Principal, Gemma Calligaro, to Eaton Primary School this term! Gemma brings a wealth of experience and enthusiasm for supporting students and staff alike. She's already hit the ground running and is excited to be part of our wonderful school community. Please join us in giving her a warm Eaton welcome!

Gemma Calligaro

I was born and raised in Bunbury. After completing two years of my teaching degree, I travelled around Australia and eventually settled in Wollongong (located about an hour south of Sydney, NSW), where I completed my studies. I spent 10 wonderful years teaching at a Level 5 primary school in Wollongong, which is where my leadership journey began. I later returned to Bunbury, teaching at a local school for 7 years while also taking on various leadership responsibilities. Most recently, I held a Deputy Principal position for 3 years at a Level 4 school in the Wheatbelt.

I'm thrilled to now be part of the Eaton Primary School community! I'm passionate about supporting our teaching staff to deliver high-impact, evidence-based teaching practices that meet the needs of their individual students, while also ensuring a consistent and high standard of teaching across the whole school. If you'd like to have an in-depth conversation, please contact the school to make an appointment as I value giving people my full attention and want to avoid interruptions. I'm really looking forward to getting to know our fantastic students and their families. My door is always open, so feel free to stop by and say hello!

Kind regards,
Gemma Calligaro
