## KAYA!

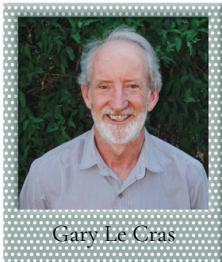

As we head into the final week of term, I hope everyone is able to enjoy the celebrations, events and special moments that come with this busy but exciting time of year. Thank you for your continued support—it truly makes a difference in creating a strong and connected school community

## School Board Members – Meet Our Team

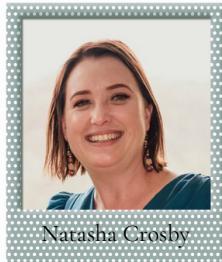

In an effort to further lift the profile of our School Board, each board member has created a short biography and provided a photo so our community can get to know them better. You can find these profiles on our school website. But here is a sneak peek.....I would like to sincerely thank all our School Board members for their commitment, guidance and hard work throughout the year. Their contributions ensure that our school continues to grow, strengthen, and operate with clarity and purpose.

## Public School Review

Earlier this term, our school underwent our scheduled Public School Review. This Department initiative looks closely at school practices across six key domains:

- Quality Teaching
- Learning Environment
- Relationships and Partnerships
- Resources
- Student Achievement
- Leadership

The review provided us with a valuable opportunity to reflect on what we are doing well, how far we have come, and the areas we will continue to strengthen. We are very pleased to share that the findings were extremely positive and acknowledged the wide range of effective and impactful practices happening across our school. I would like to extend my heartfelt thanks to all staff, students and our parent community. Your ongoing support, collaboration and commitment to improvement ensures we continue to provide the very best outcomes for our students every day. If you are interested in reading this report it has been uploaded to our website and schools online.
