

FROM THE PRINCIPAL'S DESK

6TH
MARCH

Kaya,

Have you seen our fish display? It's a beautiful reminder that, just like the fish, we are all different, but we all swim together here at Eaton PS. It's a symbol of the unity and diversity that make our school community so special.

School Board

Want to make a real difference in our school community? Whether you're a parent, grandparent, or family member, click the link and join our school board – your voice and ideas matter!

Nominations Close 18th of March.

School Survey

We'd love to hear from YOU! So far, 15 families have completed our community school survey, and it would be AWESOME if we could get over 40 families to participate! This is your chance to have a voice in shaping the future of our school and guiding important changes. Click the link to share your thoughts – together, we can make a real impact!

NAPLAN Yr 3/5 Parent/Caregivers.

NAPLAN testing starts next week, and we want to remind everyone that while it provides a snapshot of your child's current academic achievement, it doesn't measure qualities like care, kindness, friendship, confidence, or resilience. These are just as important, if not more so, in a child's growth and success.

NAPLAN is a valuable tool that gives us data to improve and better support our students. We encourage all students to simply do their best.

Good night routines, including enough sleep, limited device time, and a nutritious breakfast, can really help set your child up for success. Remember, their worth is defined by so much more than a test score, they can just do their best.

Cultural Cuppa Team

We had our first Cultural Cuppa this morning, and we want to thank everyone who attended, as well as those who sent messages and emails of support. We're excited to be starting a Cultural Cuppa Team, and if you couldn't make it but would like to be part of this wonderful group, please click the link, and I'll add you to our email list!
